The Ice Cream Tango

words and music by Tom Lehrer

Do you know what I would really like right now?

I would like--- some ice cream Me too! I would like--- a cone Me too! It would really hit the spot, And make me feel a lot Like a queen up - on a throne.

What flavor does your majesty crave?

vanilla. Me too! Not me! I'll take choc'late. I want peach. Peach? All right, choc'late.
But wouldn't it be pleasant, Some day when no one's present, To order one of each! Inclu-ding peach!
